TECHNICAL DATA

Model	EH-X9000 Lightbar Series
Voltage	12/24 V DC
Upper lens	Polycarbonate • Red / Blue / Amber
Lower lens	Polycarbonate • Clear / Amber
Lightheads	Dual / tri-colour • R / B / A / W
Base	Extruded aluminium
Profile	53 H × 299 D mm (2.1" × 11.8")
Patterns	15 flash patterns
Auxiliary functions	Takedown / alley flash, cruise

CONTROL HEAD (optional)

- 12/24 V DC, 1.9 A • 200/300 W
- 5-tone siren • PTT microphone • PA
- Radio rebroadcast
- 13 inputs / 18 programmable outputs
- J1849 • CA T13 • R10
